CAUSE	545469, Probate Court No. 2, Harris County
PERSONAL REPRESENTATIVE	Nicole G. Moorer
ADDRESS OF RECORD	15910 LAKEVIEW DR, JERSEY VILLAGE, TX 77040-2164
QUALIFIED	2026-10-20
DISTRIBUTION CLASS	Testate, will admitted

INVENTORY AND APPRAISEMENT DUE

2027-01-18

Tex. Est. Code § 309.051: within 90 days after the personal representative qualifies. Qualification date 2026-10-20 is on the docket, so the return date is fixed whether or not anyone is counting.

WHAT HAS TO BE FILED, IN ORDER

1. **Inventory, Appraisement and List of Claims**, sworn, filed with the clerk of Probate Court No. 2 on or before **2027-01-18**. § 309.051, § 309.052.
2. **The appraisement**. Real property at market value as of the date of death, not the appraisal roll. Attach the HCAD account numbers so the appraisers can find each parcel.
3. **Affidavit in lieu of inventory**, if the will waives it and no creditor or devisee demands one. § 309.056. Cheaper and faster, but only if the will allows it.
4. **Notice to creditors**, if not already run, and the publisher's affidavit filed. § 308.051. A claim that lands before the inventory is a debt line on the same form.

> **What this record does not answer.** The docket names the parties but not the family tree. Degrees of kinship and shares below come from the pleading and the will, which are in the clerk's file at 201 Caroline, Houston. Where a name is listed above it is because the clerk recorded it, not because it was inferred.

SHARES

Testate: each devisee takes what the will gives, and the will admitted 10/20/2026 controls over any statutory default. Residue follows the residuary clause.

A person named above with no share stated is named in a waiver or a consent, which proves notice and presence, not a fixed fraction.
