DATE OF DEATH	2026-07-06 (obituary)
CAUSE	546141, Probate Court No. 1, Harris County
PERSONAL REPRESENTATIVE	Ruberina Vu
ADDRESS OF RECORD	6206 NANCET DR, HOUSTON, TX 77041-5926
QUALIFIED	2026-09-01

INVENTORY AND APPRAISEMENT DUE

2026-11-30

Tex. Est. Code § 309.051: within 90 days after the personal representative qualifies. Qualification date 2026-09-01 is on the docket, so the return date is fixed whether or not anyone is counting.

WHAT HAS TO BE FILED, IN ORDER

1. **Inventory, Appraisement and List of Claims**, sworn, filed with the clerk of Probate Court No. 1 on or before **2026-11-30**. § 309.051, § 309.052.
2. **The appraisement**. Real property at market value as of the date of death, not the appraisal roll. Attach the HCAD account numbers so the appraisers can find each parcel.
3. **Affidavit in lieu of inventory**, if the will waives it and no creditor or devisee demands one. § 309.056. Cheaper and faster, but only if the will allows it.
4. **Notice to creditors**, if not already run, and the publisher's affidavit filed. § 308.051. A claim that lands before the inventory is a debt line on the same form.

> **What this record does not answer.** The docket names the parties but not the family tree. Where a name is listed above it is because the clerk recorded it, not because it was inferred.

SHARES

Testate: each devisee takes what the will gives, and the will admitted 09/01/2026 controls over any statutory default. Residue follows the residuary clause.

A person named above with no share stated is named in a waiver or a consent, which proves notice and presence, not a fixed fraction.
