HEIR SCHEDULE AND INVENTORY DEADLINE

ANNETTE E GORDON | Cause 547268 | Probate Court No. 3 | Harris County, Texas

DECEDENT	ANNETTE E GORDON
DATE OF DEATH	per the application in the clerk file
CAUSE	547268, Probate Court No. 3, Harris County
PERSONAL REPRESENTATIVE	KEVIN ANDREW GORDON, JASON DAVID GORDON, and MARCY GORDON YOUNG
ADDRESS OF RECORD	2 SADDLEWOOD ESTATES DR, HOUSTON, TX 77024-6841
QUALIFIED	2026-09-30
DISTRIBUTION CLASS	Testate, will admitted

INVENTORY AND APPRAISEMENT DUE

2026-12-29

Tex. Est. Code § 309.051: within 90 days after the personal representative qualifies. Qualification date 2026-09-30 is on the docket, so the return date is fixed whether or not anyone is counting.

WHAT HAS TO BE FILED, IN ORDER

1. **Inventory, Appraisement and List of Claims**, sworn, filed with the clerk of Probate Court No. 3 on or before **2026-12-29**. § 309.051, § 309.052.
2. **The appraisement**. Real property at market value as of the date of death, not the appraisal roll. Attach the HCAD account numbers so the appraisers can find each parcel.
3. **Affidavit in lieu of inventory**, if the will waives it and no creditor or devisee demands one. § 309.056. Cheaper and faster, but only if the will allows it.
4. **Notice to creditors**, if not already run, and the publisher's affidavit filed. § 308.051. A claim that lands before the inventory is a debt line on the same form.

PROPERTY SCHEDULE, FROM THE APPRAISAL ROLL

HCAD ACCOUNT	SITUS	LEGAL, ABBREVIATED	ZIP	MARKET VALUE

2 parcel(s) matched on the roll				**$2,917,382**

Matched on owner name in the Harris County Appraisal District parcel layer, current roll. A parcel deeded out of the decedent before death will not appear here; a parcel held in a trust or a second name will appear under that name.

SCHEDULE OF HEIRS AND PARTIES, AS THE COURT RECORD NAMES THEM

NAME	RECORD EVENT	DATE	STANDING
KEVIN ANDREW GORDON, JASON DAVID GORDON, and MARCY GORDON YOUNG	Order	09/30/2026	Personal representative
James Gordon's	Declination to Serve	09/08/2026	named in record

What this record does not answer. The docket names the parties but not the family tree. Degrees of kinship and shares below come from the pleading and the will, which are in the clerk's file at 201 Caroline, Houston. Where a name is listed above it is because the clerk recorded it, not because it was inferred.

SHARES

Testate: each devisee takes what the will gives, and the will admitted 09/30/2026 controls over any statutory default. Residue follows the residuary clause.

A person named above with no share stated is named in a waiver or a consent, which proves notice and presence, not a fixed fraction.
